

BATRIBIKE[®]

ELECTRIC BICYCLES

DIAMOND PRO

£1099.00

The Batribike Diamond Pro high spec electric bike is chock full of excellent features. The stylish battery casing has a sleek battery fitted with Samsung cells. The elegant LCD allows the rider to choose from 5 levels of pedal assist or throttle mode. Brake levers with incorporated non-slip grips and quick shift gears add to this ebike's many features. The unisex easy access step-through style is popular with both male and female riders. The two-tone paint finish in orange/white or blue/white really gives the Diamond Pro's classic frame a sharp trendy look
